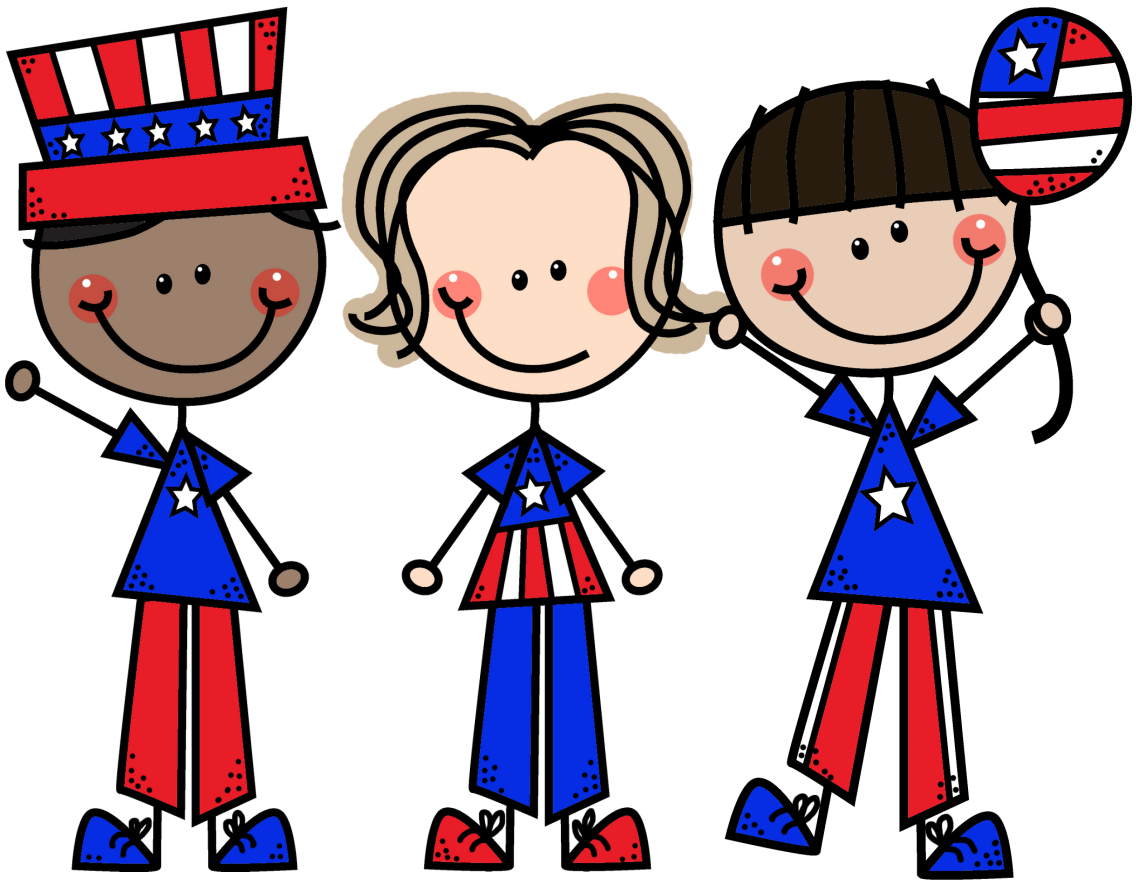
_____'s

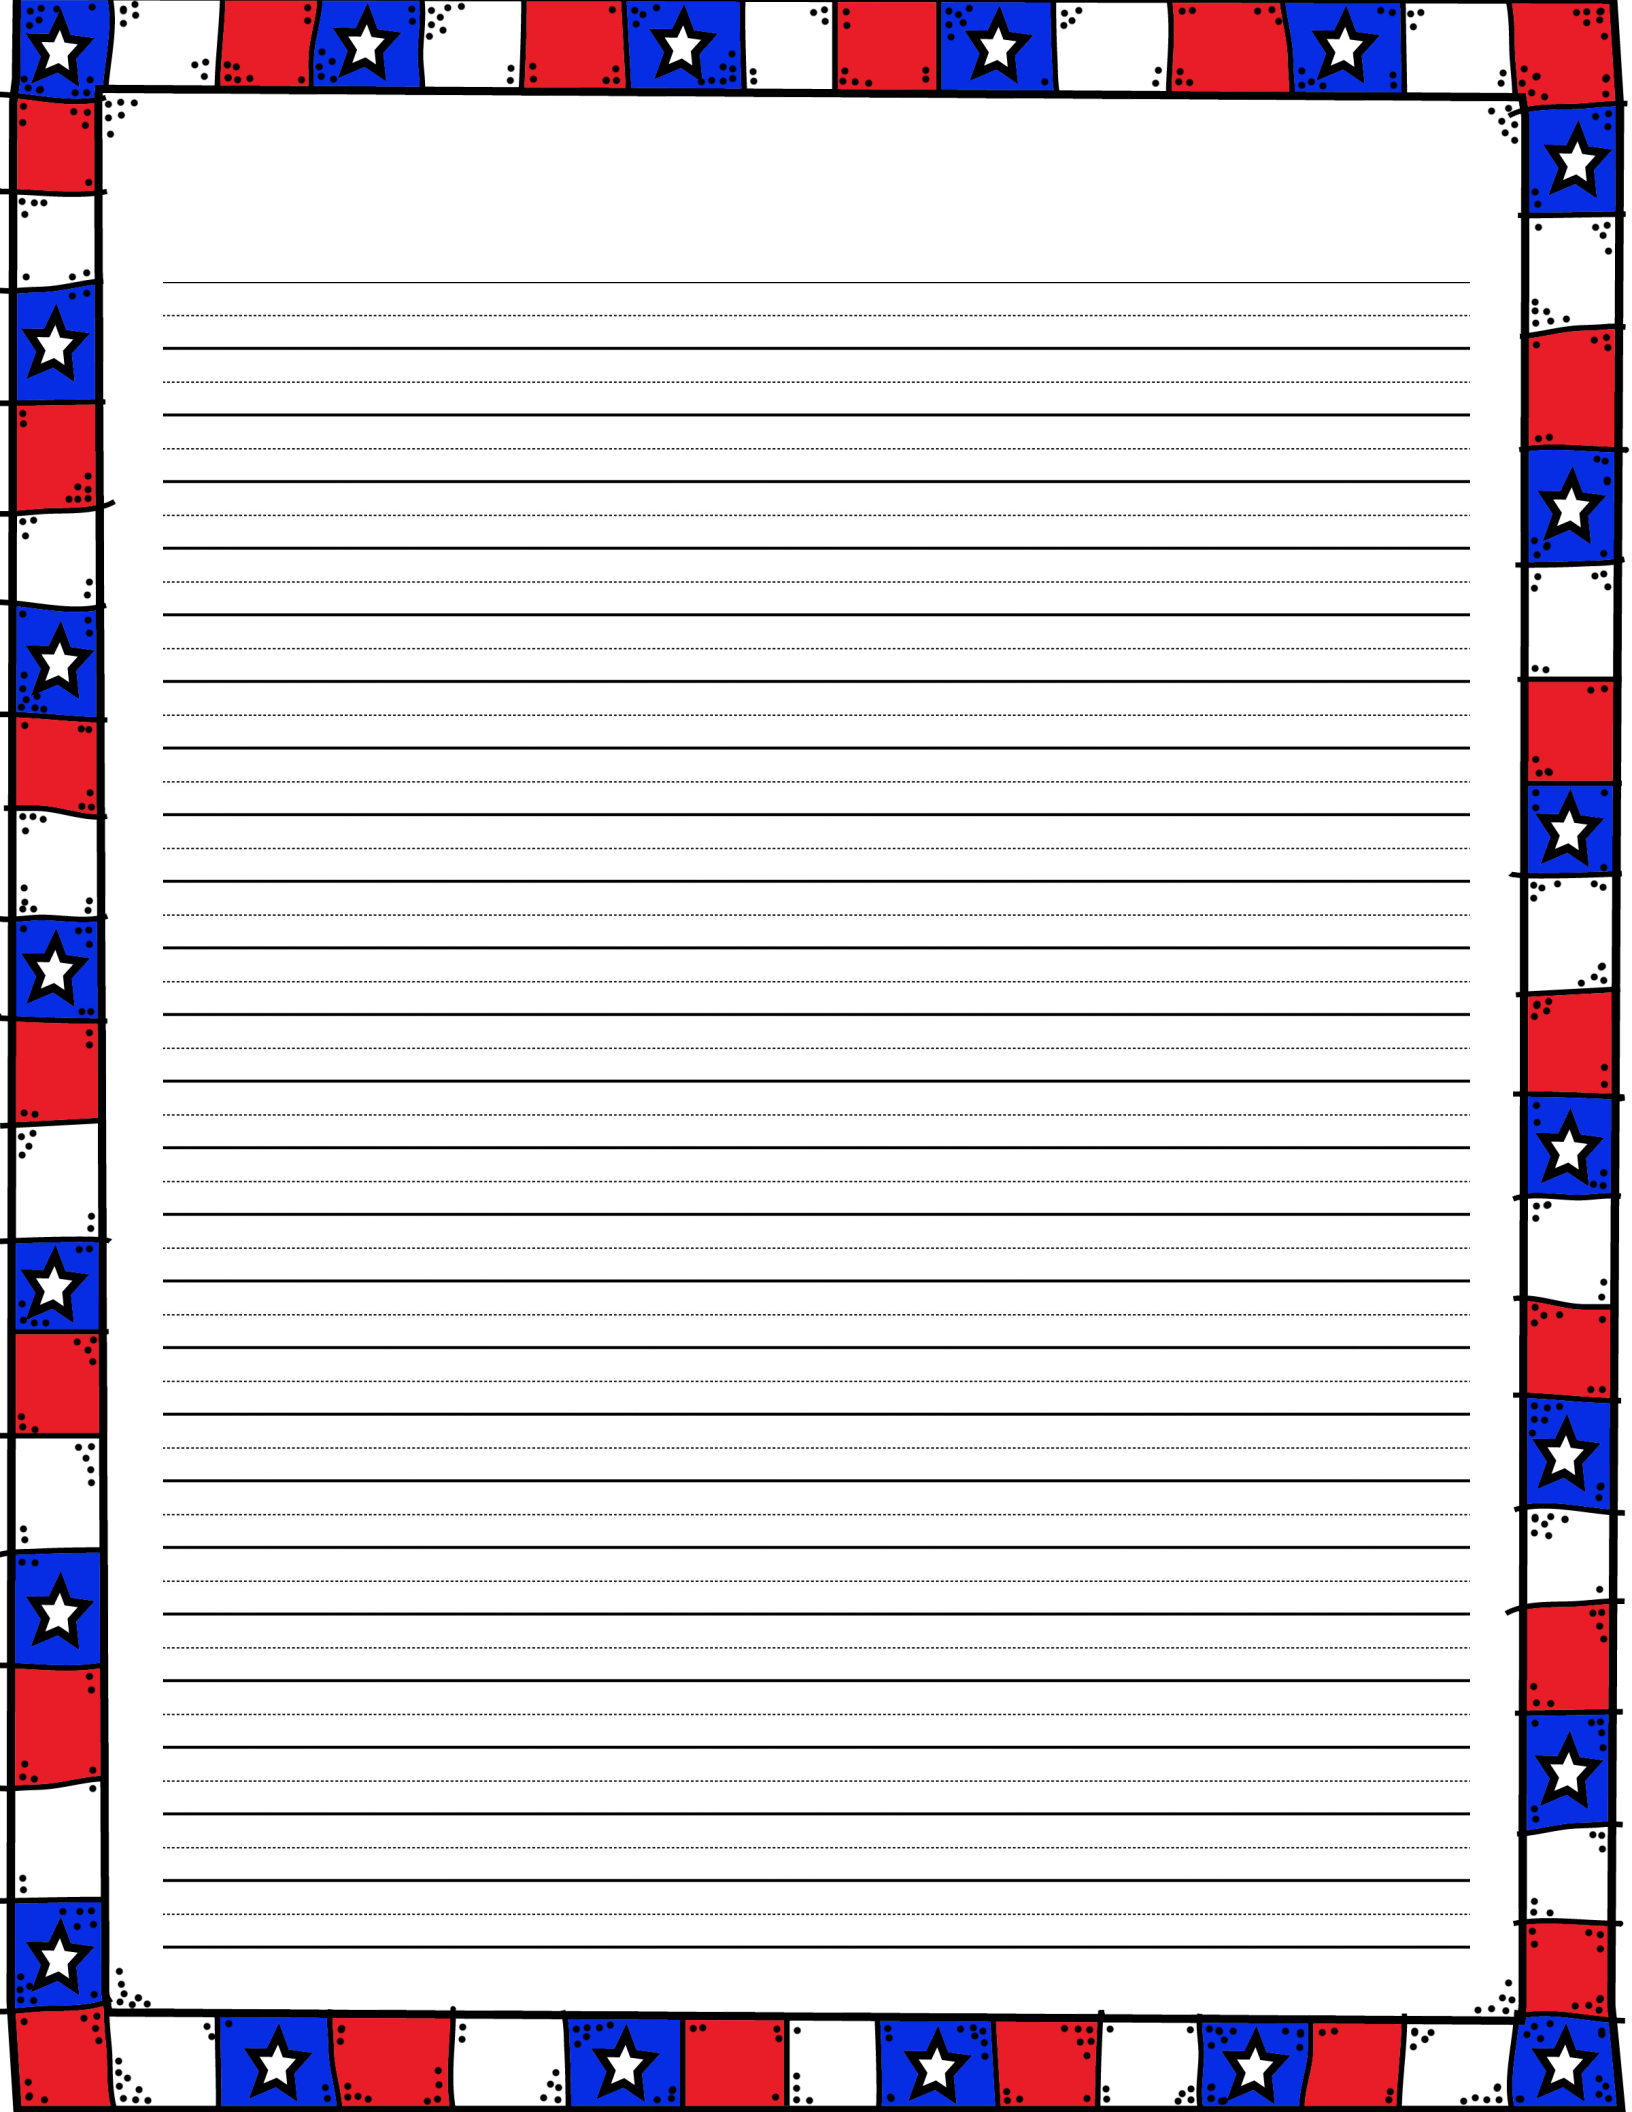
4th of July Workbook

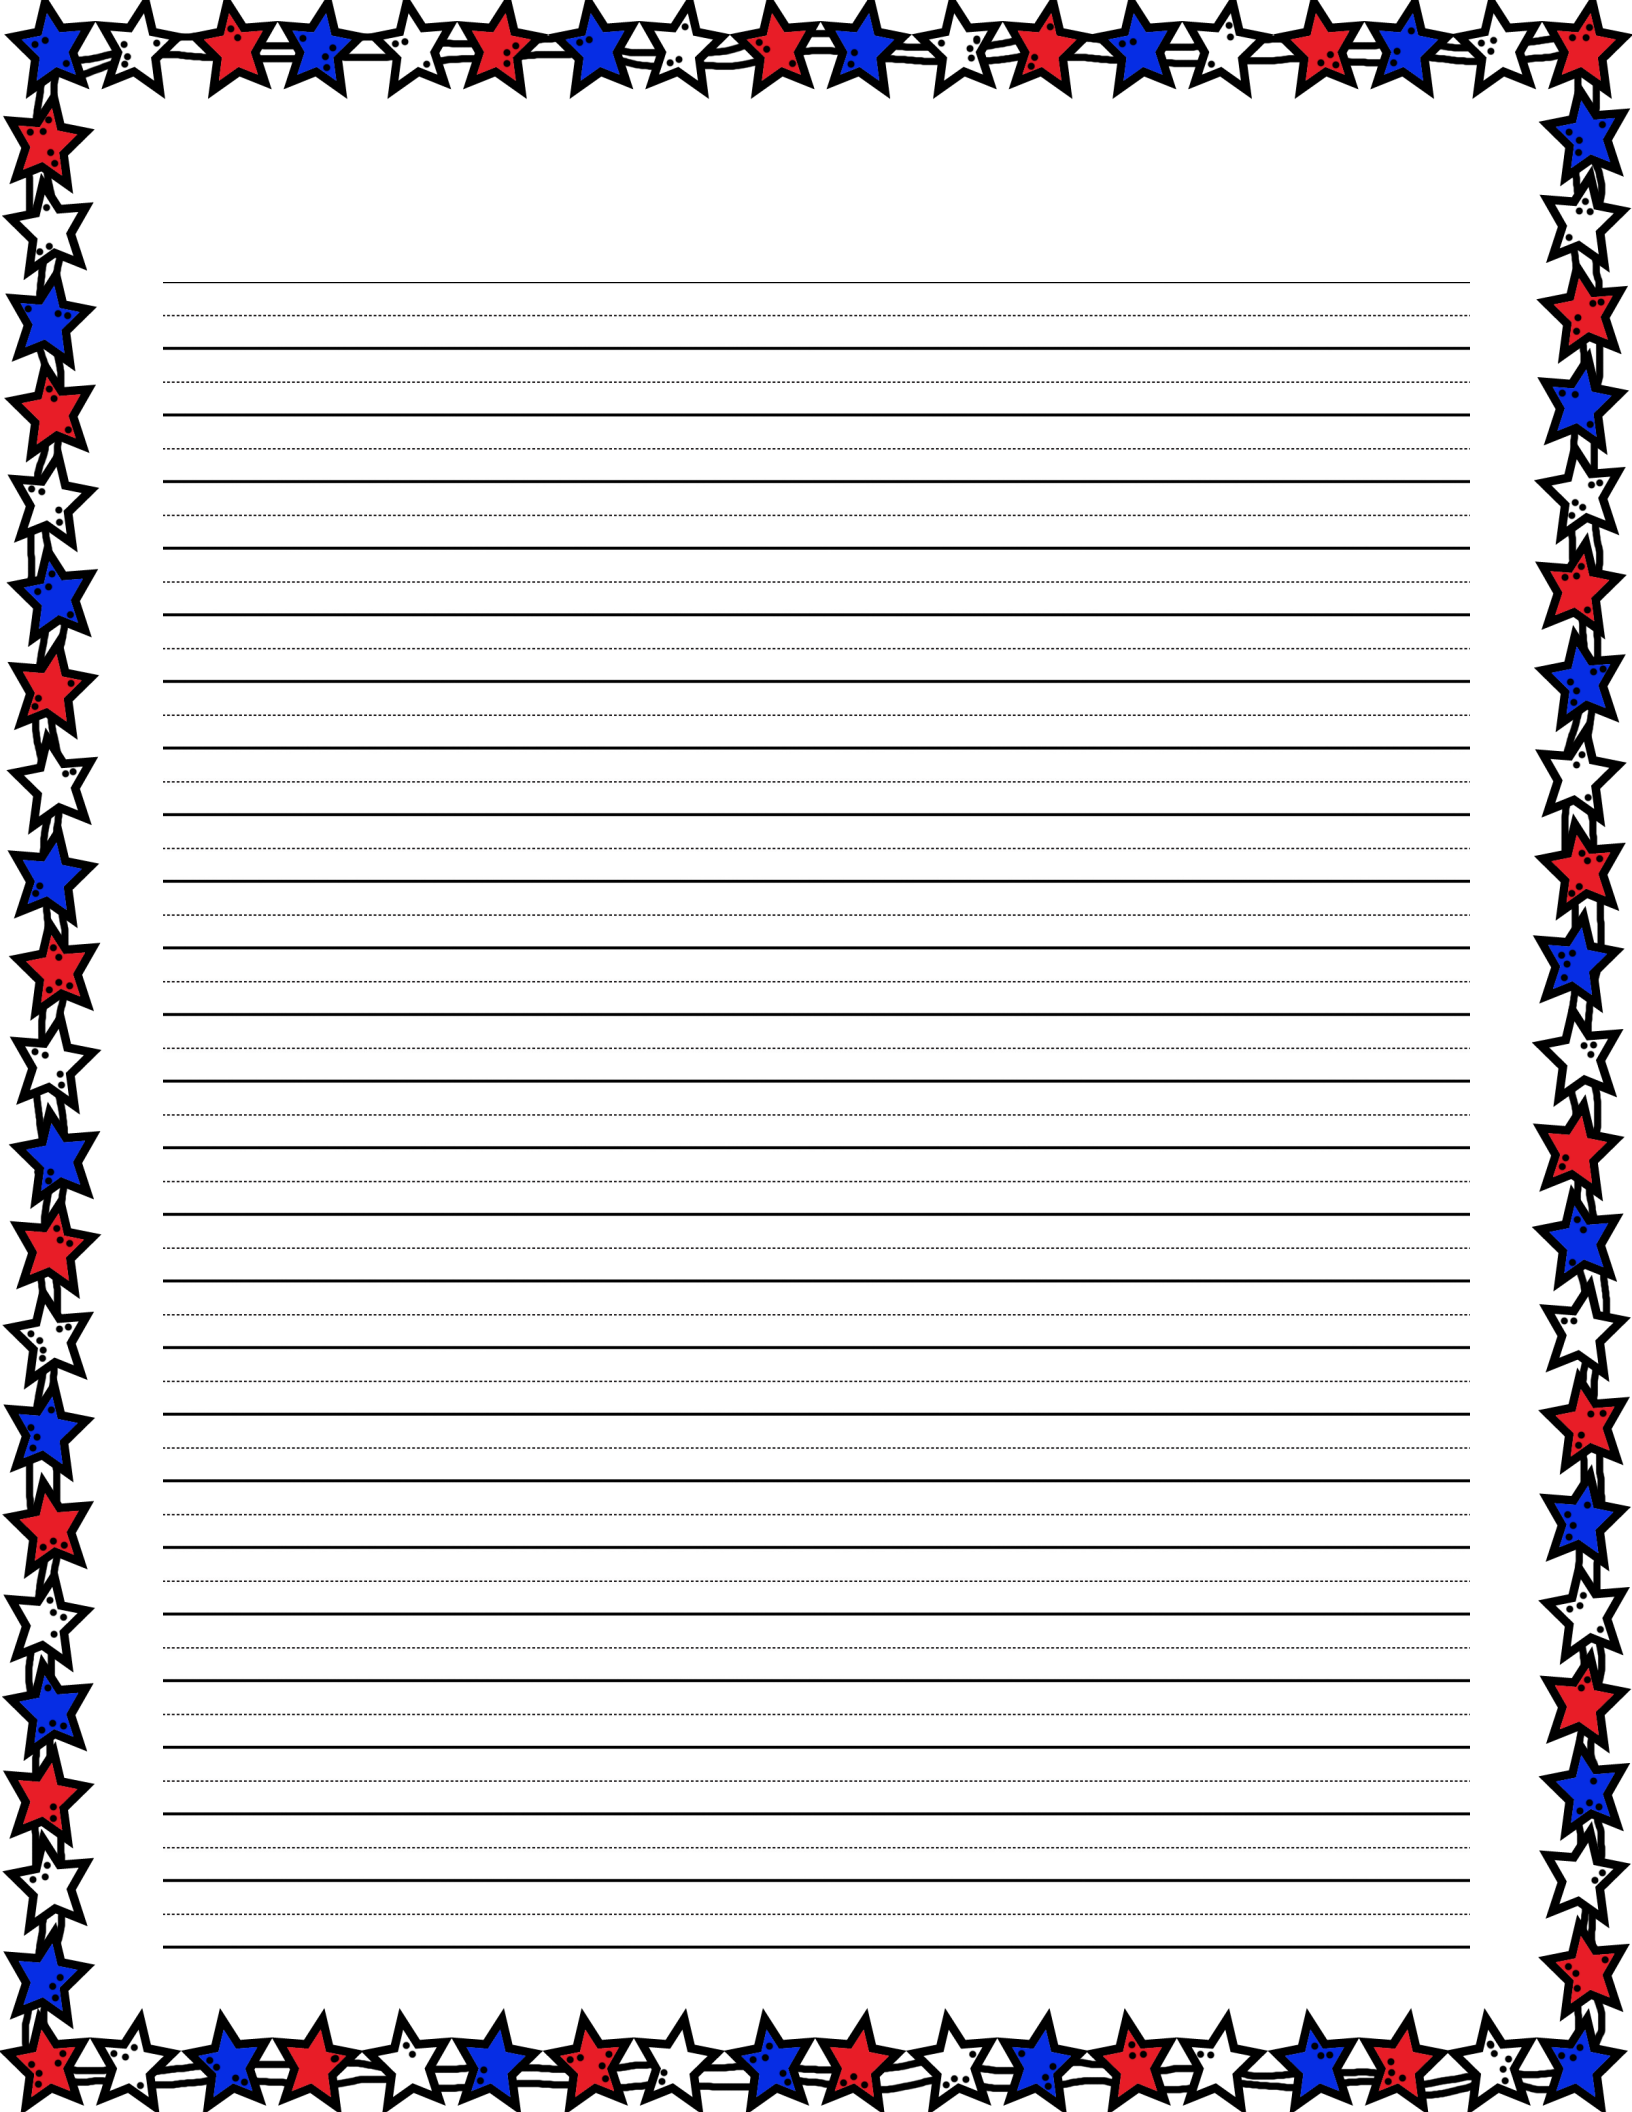


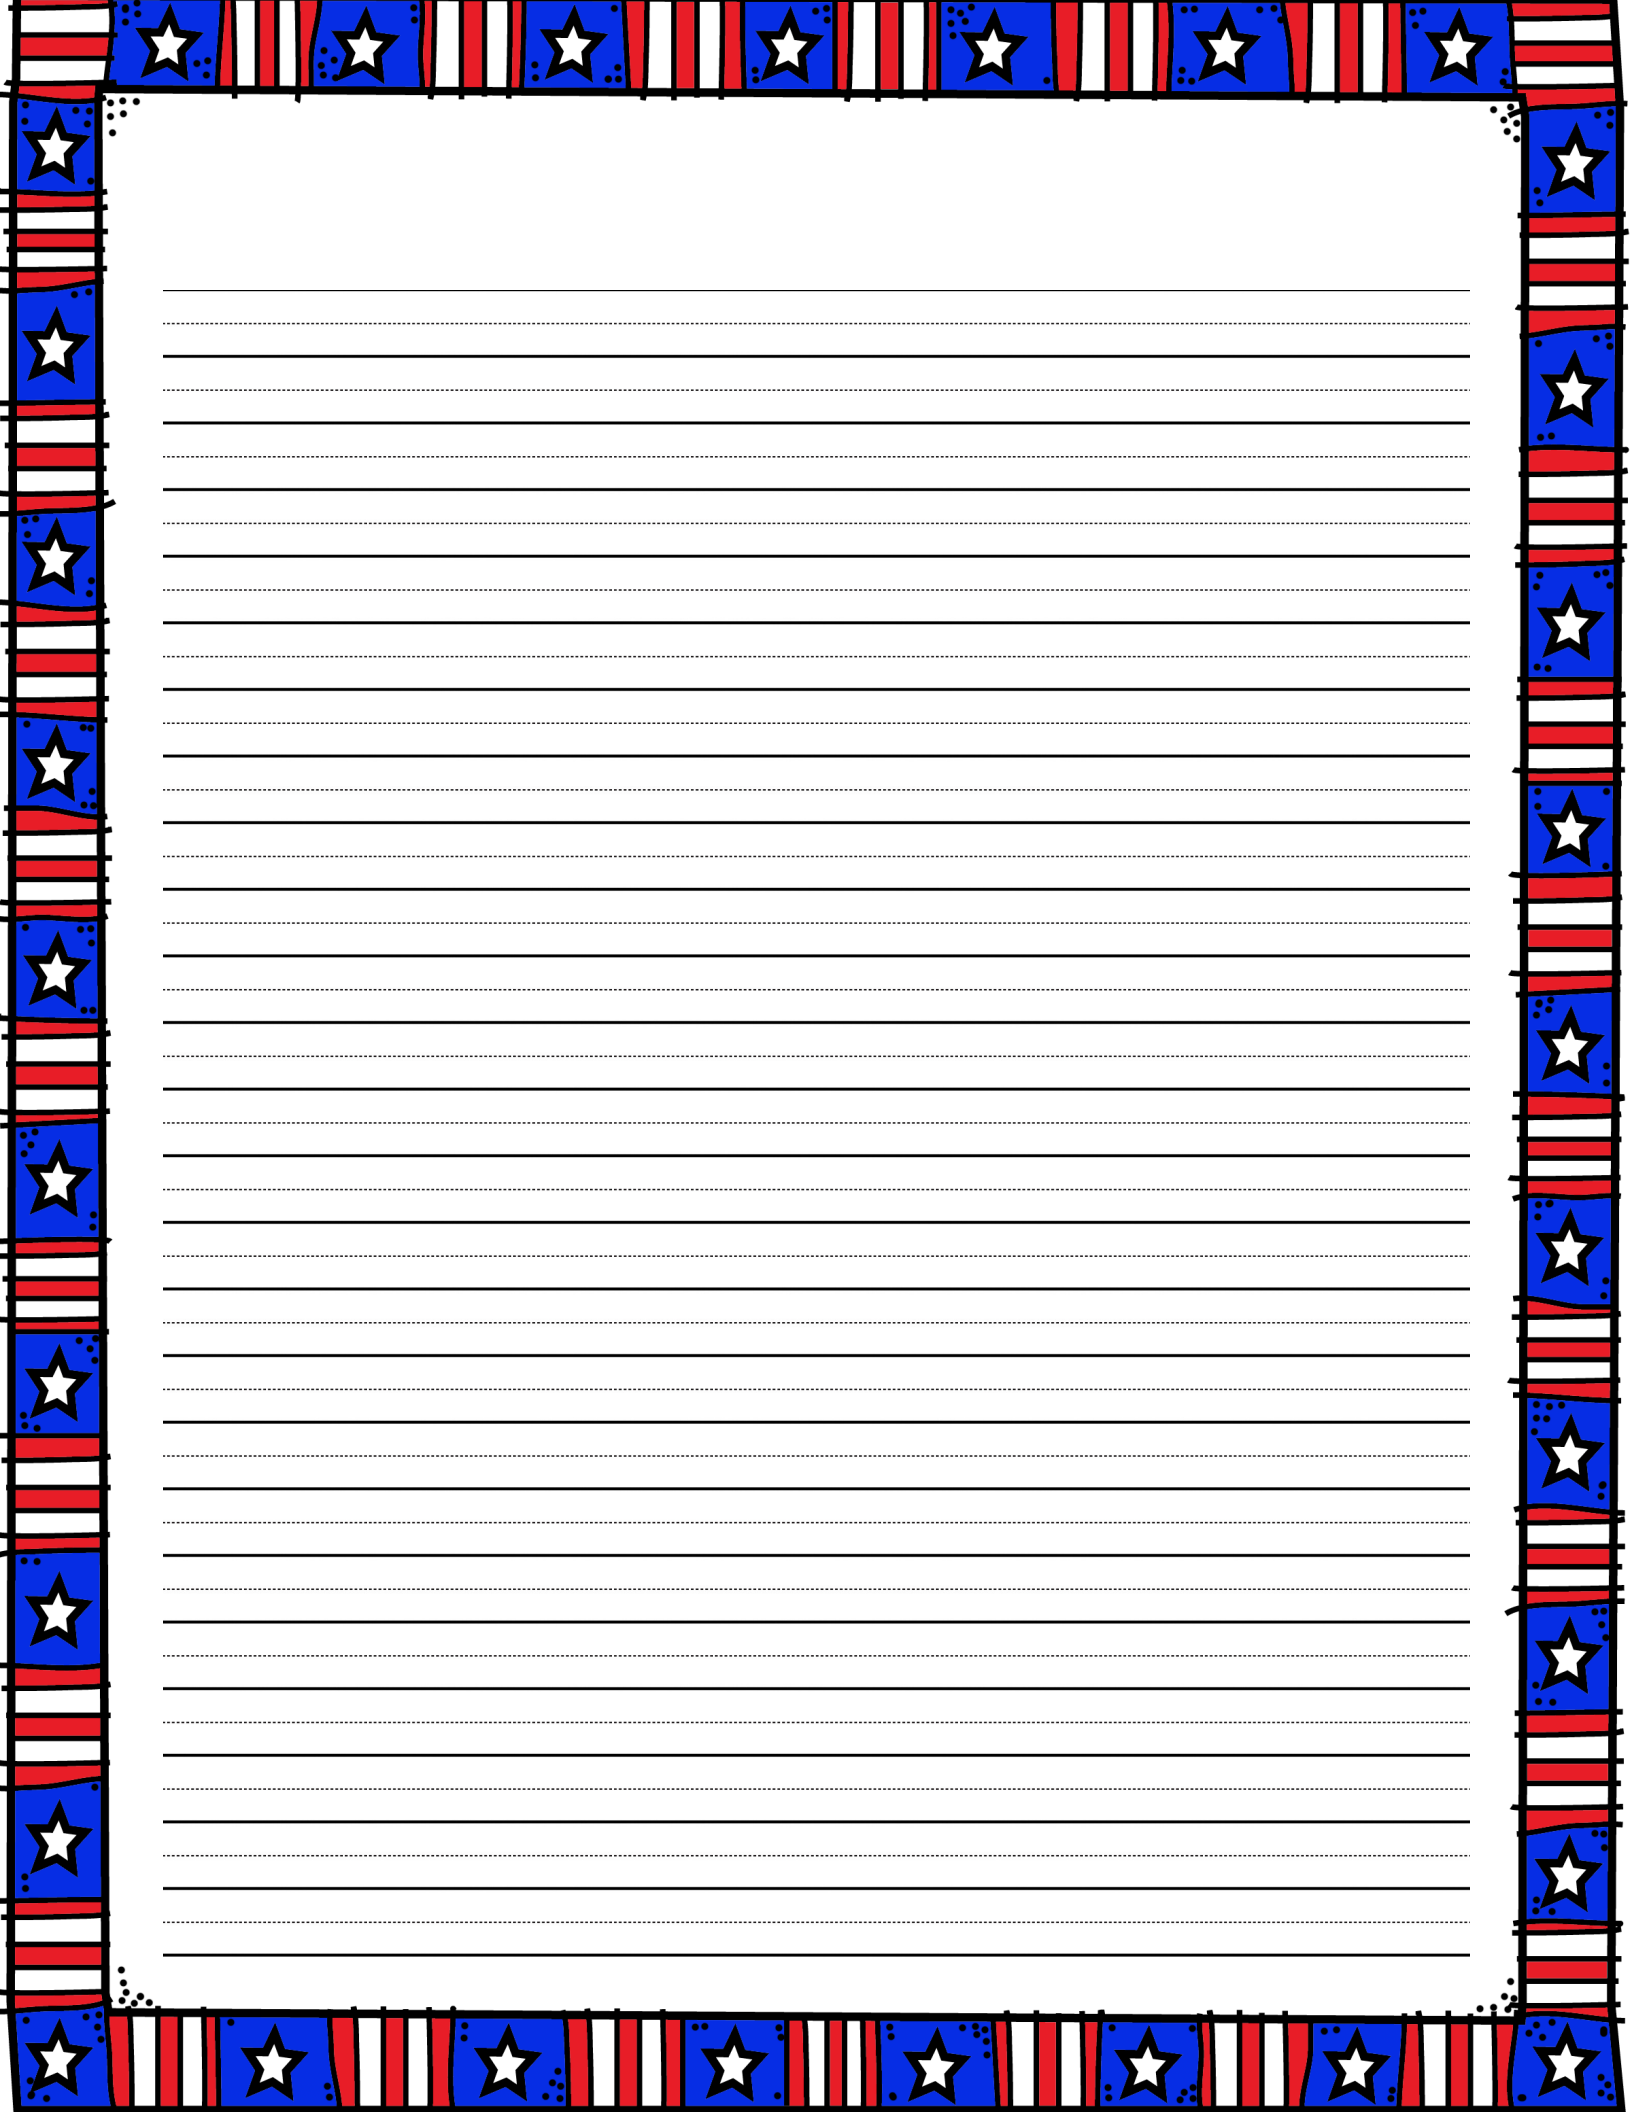
What is the 4th of July?

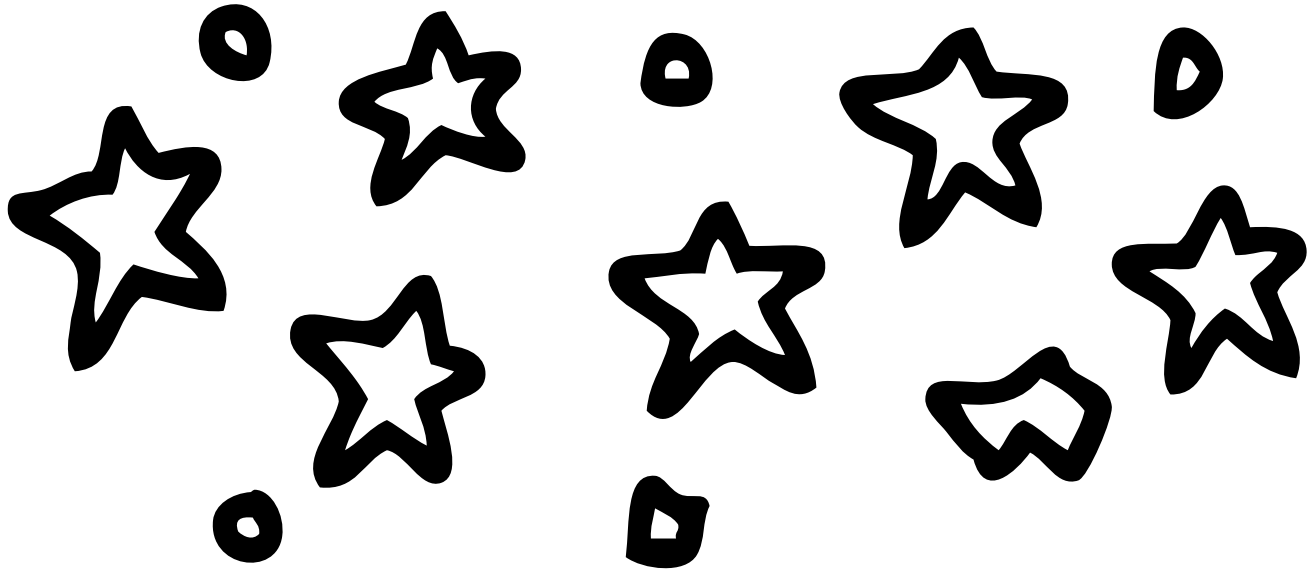
Independence Day, or the 4th of July, is celebrated every year in the United States. It is the anniversary of the publication of the declaration of independence from Great Britain - and the "birth" of the United States - in 1776. Patriotic displays and events are organized throughout the nation.

Use the next few pages to journal about whatever you'd like. The following pages have word scrambles, writing prompts, and more. Enjoy!









The American Flag has ____ stars and ____ stripes.
